Fill in all dimensions below, using OUTSIDE spa, Lip dimensions.

The diagram shows ten different spa shapes, each with dimension lines indicating where to measure. The shapes are: SQUARE, ROUND, ROUNDED SQUARE, TWO CUT, ONE CUT CORNER, CUT CORNER, HEXAGON, RECTANGLE, STRETCH OCTAGON, and OCTAGON.

Free form spas: such as ovals, kidneys, etc., use a clear plastic painters drop cloth, which is available at your local hardware or paint store, and stretch across the spa, securing it with bricks, etc. Use a magic marker to draw the outside lip dimensions. Write "TOP", color, name, address and phone number on your template.
